PHYSICIAN-LED DIRECT PRIMARY CARE FOR CHICAGOLAND EMPLOYERS

Healthcare Should Work for Your Employees — and Your Business.

Contract directly with the physicians delivering the care.

Local physician relationships. Transparent pricing. No unnecessary DPC network markup.

ACCESS WHEN THEY NEED IT

Same-day or next-day care when appropriate.

A BENEFIT THEY USE

Transparent pricing, with deeply discounted labs, medications, and imaging.

A PHYSICIAN THEY KNOW

Direct communication and an ongoing physician relationship.

Built for employers rethinking how their health plan works.

A strong fit for self-funded employers.

2 → **22**

When healthcare becomes usable, employees respond.

One employer went from 2 employees enrolled in its health benefit plan to 22 after redesigning the benefit to include Roots Health DPC.

Enrollment outcome; not a claims or utilization measure.

A BENEFIT THEY'RE NOT AFRAID TO USE

Timely primary care with transparent cost and easy access — reducing uncertainty and delays.

PREDICTABLE PRIMARY-CARE SPEND

Transparent pricing. Deeply discounted labs, medications, and imaging.

DIRECT-TO-PHYSICIAN

You contract with the physicians providing care — not through an added network layer.

TRUE DPC

Direct contracting should mean direct care.

A physician who knows you, access when you need it, direct communication, and transparent pricing — without an unnecessary layer between your business and the physicians providing care.

DIRECT-TO-PHYSICIAN PRICING

$89/month per employee · $49/month per child

Transparent, predictable primary-care pricing designed to work for you and your team.
